**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly support broadband competition. I have used the major providers, but they are too expensive and their service is horrible. Competition is necessary to keep prices low and to allow internet access to those who would not get it otherwise. I urge that USTelecom' keep the 1996 Telecommunications Act intact.
